

# Dynamic Task or Case in HotOperations Displays at the Bottom of the Bucket When using Chrome Browser

Last Modified on 11/28/2017 8:24 am EST

## Description

When you access Flowtime using a Google Chrome browser, the dynamic task or case items display at the bottom of the bucket.

## Cause

This is a known issue.

## Affected Versions

8.3 and later.

## Solution

There are two possible solutions.

- Minimize and then maximize the Google Chrome browser.
- Access Flowtime using Internet Explorer 11.
