## Previous to V3.0

On Cora OpsManager Flowtime, click Cases I Started to display the list of cases created by you.

The screenshot shows the Cora OpsManager Flowtime interface. On the left is a navigation menu with items: Sequence, Ops Manager Home, My Tasks (with a '3' badge), Cases I Started (highlighted with a red box), Reports, and Ops Manager Admin. The main content area is titled 'Cases I Started' and features a table with two tabs: 'Open' and 'Completed'. The 'Completed' tab is active. The table has columns: Case ID, Priority, Target Date, Created, From, Subject, Case Status, and Case Category. One row is visible with Case ID 85023, Priority Medium, Target Date 04/04/2019, Created 02/04/2019, From ops@pnmssoft.com, Subject Insurance Request, Case Status closed as spam, and Case Category Claims. A pagination bar at the bottom shows '1 - 1 of 1 items'.
