Cora OpsManager 1.9.2 Release Notes

03 April 2019

This is an update for Cora OpsManager v1.9, which resolves product issues, detailed below.

To download the release package and instructions, click here.

Resolved Issues

#	Resolution
1	Applying this fix will change the behavior of "Open" button and double-click on a case from "Team Member" grid to "Open and Fetch".

Note:
Apply this fix only if you want to "Open and Fetch" the case, with a click on "Open" for a case, or a double-click on a case from the Team Member task list.
