Resolved Issues

#	Issue	Resolution	Ticket #
1	While submitting a new request, the page crashed occasionally.	A new request can be submitted without any issues.	1797949
2	While performing Pending Closure action, the page crashed.	Pending Closure action is working fine without any issues and errors.	1842113
3	DB storage consuming logs (Workflows not running in memory) were turned on by default.	Some workflows have been changed to In-memory to reduce the DB size growth over time.	1866882
